# GROW

**Concord United**  
**Small Groups Guide**  
**Fall 2023**

Jesus called the disciples to follow him. Following Jesus is more than something we do, it's a way of being that includes sharing Christ, serving others, and growing in our faith. An important means of following Jesus includes intentional community through small groups.

### What are the Types of Small Groups at Concord?

- **Sunday Morning Groups** - Meet 10:00-10:50 each Sunday featuring different class formats, sizes, and study topics. All groups are open to anyone.
- **Weekday Groups** - Meet during the week, usually at least twice a month, and feature varying formats, class sizes, and study topics.
- **Short-Term Groups** - These may include a special book study or Bible study or have a seasonal focus, offered for a limited time.
- **Community Care Night Groups** - Meet on Wednesdays before or after the Community Care Night dinner and workshop time.

### How to be part of a Small Group at Concord

The following group descriptions include multiple ways to connect with each small group. Feel free to call or email the Small Group Contacts listed on each page. You can also call the church office at (865) 966-6728, or email Pastor Brooke Hartman at [bhartman@concordunited.org](mailto:bhartman@concordunited.org) that fits you. ([bhartman@concordunited.org](mailto:bhartman@concordunited.org))

All groups are open to anyone and the ages or life stages listed for each group should be considered simply as a starting point and not exclusive. To find the best fit, church members and guests alike are encouraged to visit several classes to find the one that best matches their interests, learning style, age, or stage of life.
