June 7-August 1, 2026

Christian beliefs are the story of the One True God's self-revealing love. Rather than mere speculative abstract beliefs, they disclose the nature and character of the God who created out of nothing, dwelled among us in the person of Jesus Christ, and is present with us through the Holy Spirit. Our understanding of the purpose of life, morality, and spirituality comes from these basic beliefs about God's work in history and our lives.
