October 4th-Nov 28th

Every day we are bombarded by questions about truth. Is the image real, or is it AI? Do I trust this news source or that news source? Can I really trust people? Truth feels elusive at best. Truth is that which is real, trustworthy, and factual. Where do we find it?

We desire truth that leads to contentment, not inadequacy; safety, not danger; following, not lost; love, not hate; life, not death; truth, not lies; dependency, not self-reliance. This is the truth about Jesus, our Savior. This truth sets us free.
